2 of 2 review helpful Funny and unexpected By Cory L Dudak I bought this book for my girlfriend who is a big Ralph Wiggum fan When it arrived I was shocked to see what a thorough exploration of the character it was I m not saying it s all canon in terms of the show as i saw some complaints that there was stuff in this book that wouldn t make sense to the Ralph character such as his love for Lisa due to them breaking The Ralph Wiggum Book is an all ndash new book from the new series The Simpsons Library of Wisdom There s more to Ralph than meets the eye He might be that kid you feel like pointing towards and laughing at but Ralph Wiggum has a special way of disarming you with his completely off ndash kilter statements that always have the ring of truth about them See the world through Ralph

ndash coloured glasses as he muses on household pets poetry constellations About the Author Matt Groening the creator and executive producer of the Emmy reg Award winning series The Simpsons as well as creator of the cartoon strip Life in Hell and the animated FOX television series Futurama
