By Bill Bryson : The Lost Continent: Travels in Small-Town America not for profit publishing house with titles on educational cultural ethnic and community subjects north america is a continent entirely within the northern hemisphere and almost all within the western hemisphere it can also be considered a northern subcontinent The Lost

Continent: Travels in Small-Town America:

10 of 10 review helpful Probably Bryson's best work By Graham This book is absolutely hilarious from cover to cover Bryson takes the reader through small town America but along the way he takes so many unexpected and delightful side journeys through his memories as a kid growing up in Iowa his dry observations of small town American life or his little rants on customer service restaurant workers hotels and fine at An unsparing and hilarious account of one man's rediscovery of America and his search for the perfect small town com A travelogue by Bill Bryson is as close to a sure thing as funny books get The Lost Continent is no exception Following an urge to rediscover his youth he should know better the author leaves his native Des Moines Iowa in a journey that take
