1 of 1 review helpful Very Funny and Sadly True By Evan Purcell I bought this coffee table book as a gift for one of my cousins we had previously bonded over Awkward Family Photos but I ended up reading it about five times before I gave it to her As someone who has shared a break room with some very anal coworkers I couldn't help but laugh at all of these amazing photos If you want to be reminded of how ridiculous people Disguised as helpful advice gentle reminders or friendly requests the painfully polite passive aggressive notes in this hilarious calendar are sugarcoated with smiley faces but betrayed by one too many exclamation points All this oh so proper hostility will leave you roaring with laughter com Book Description Part voyeuristic entertainment part group therapy Passive Aggressive Notes offers a fascinating look at the all too familiar frustrations of embattled office drones apartment dwellers parents and pet owners everywhere
