terrorists use of the Tono-Bungay (Penguin Classics):

1 of 2 review helpful Could have been better By bkpillows Honestly I did not like Tono Bungay in the least but Wells clearly had something to say about society he just didn't get around to saying those things Sections of the book are incredibly long winded There are too many anecdotes that in my opinion do not contribute to the flow of the story or any major themes or motifs in the book This is major flaw One of the greatest of all satires of the power of advertising and the modern press Presented as a miraculous cure all Tono Bungay is in fact nothing other than a pleasant tasting liquid with no positive effects Nonetheless when the young George Ponderevo is employed by his Uncle Edward to help market this ineffective medicine he finds his life overwhelmed by its sudden success Soon the worthless substance is turned into a formidable fortune as society Wells is less a man of letters than a literature rdquo mdash Jorge Luis Borges About the Author H G Wells was a professional writer and journalist who published more than a hundred books including novel
