**By Jane Walmsley : Brit-Think, Ameri-Think: A Transatlantic Survival Guide, Revised Edition** Brit-Think, Ameri-Think: A Transatlantic Survival Guide, Revised Edition:

1 of 1 review helpful Subtle cultural differences often aren't so subtle By Joanne S Kaufman Although a bit dated this summary of the differences between the British and Americans is witty clever and in my experience quite accurate As an American married to a Brit I gleaned that what I had perceived as individual differences were actually related more to culture than personality I saw many examples of this but one When it comes to understanding the great cultural ocean that divides Brits and Yanks it's not just our vocabulary but also our attitudes that differ This irreverent guide surveys a whole gamut of British American divergences from sex to food from pets to religion from sports to money and from war to most divergent of all humor Entertaining and invaluable Brit Think Ameri Think has been updated to reflect changes in political cultural and social trends From Publishers Weekly An American broadcaster and journalist who lives in London with her British husband Walmsley observes that Yanks and Brits have distinctly different attitudes and aspirations Here she catalogues some of those differences and the subje
