**By Sinclair Lewis, Gordon Hutner : Babbitt (Oxford World's Classics)** the dog days or dog days of summer are the hot sultry days of summer they were historically the period following the heliacal rising of the star sirius which greek index to major titles bartleby index to titles address to the christian nobility of the german nation by martin

luther Babbitt (Oxford World's Classics):

Amusing and tragic by turn Sinclair Lewis's classic novel is a biting satire of middle American values whose title has entered the language as a byword for smug complacency conformity and materialism and whose suburban targets are still much in evidence A successful real estate agent George F Babbitt is a member of all the right clubs and unquestioningly shares the same aspirations and ideas as his friends and fellow Boosters Yet even Babbitt dreams of romance a About the Author Gordon Hutner is Professor of English at the University of Illinois
