8 of 8 review helpful 50 biography 50 Intro to Islam 100 Hilarious By Anelley This book is hilarious I picked it up originally because I was a fan of her show Little Mosque on the Prairie Knowing her style of humor I expected it to be funny situations about Muslims However like many comedy writers she s much funnier than what you see on tv I expected this book to be maybe a 4 5 but I was definitely blown away Being a practicing Muslim in the West is sometimes challenging sometimes rewarding and sometimes downright absurd How do you explain why Eid never falls on the same date each year why it is that Halal butchers also sell teapots and alarm clocks how do you make clear to the plumber that it s essential the toilet is installed within sitting arm s reach of the tap Zarqa Nawaz has seen and done it all And it s not always easy to get things right w Zarqa Nawaz is one very Funny Lady the Sultana of the Sardonic maybe even the Imamma of the Ironic Nawaz mercifully has a fatal weakness irreverence and it s a state of being that s constantly getting her into trouble Praise be to Allah Tor
