By Max Brooks : World War Z: An Oral History of the Zombie War world war z is a novel by max brooks which chronicles the fictional quot;world war zquot; or quot;zombie world war z revealed laura m holson reports on the behind the scenes battles and the escalating stakes involved in brad pitts zombie movie World War Z: An Oral History

of the Zombie War:

2 of 2 review helpful Incredibly Entertaining and Thoughtful Read By Kindle Customer This is an interesting book I'm not into the zombie craze and not a horror fan but I really enjoyed the book I've seen the film it was loosely based on this book and enjoyed it as well This book tells an intriguing story from many different viewpoints of a world war against zombies Many sections will keep you riveted I love the approach We survived the zombie apocalypse but how many of us are still haunted by that terrible time We have temporarily defeated the living dead but at what cost Told in the haunting and riveting voices of the men and women who witnessed the horror firsthand nbsp; World War Z a 1 nbsp; New York Times nbsp; bestseller and the basis for the blockbuster movie is the only record of the plague years From Publishers Weekly Brooks the author of the determinedly straight faced parody The Zombie Survival Guide 2003 returns in all seriousness to the zombie theme for his second outing a future history in the style of Theodore Judson's Fitzpatrick's
