By Nora Ephron : I Remember Nothing: and Other Reflections melvilles reflections a page from the life and works of herman melville some of melvilles wittier or more interesting remarks as culled from letters and conversation a spiritual reflection is a short saying that packs a huge meaning here are some modern day spiritual reflections for

your consideration to learn how to combat I Remember Nothing: and Other Reflections:

2 of 2 review helpful Nora forever By Shane Dane it's a special person who can admit she doesn't recognize her own sister or that she doesn't like a meat loaf named for her but that's Nora whose way with a phrase is pretty much the way she makes her films as why say a little when you can say it all which she does Her complicated family life her even more complicated marriages are spliced in between really good advice Nora Ephron returns with her first book since the astounding success of I Feel Bad About My Neck taking a cool hard hilarious look at the past the present and the future bemoaning the vicissitudes of modern life and recalling with her signature clarity and wisdom everything she hasn't yet forgotten Ephron writes about falling hard for a way of life "Journalism A Love Story" and about breaking up even harder with the men in her From Publishers Weekly Reading these succinct razor sharp essays by veteran humorist I Feel Bad About My Neck novelist and screenwriter director Ephron is to be reminded that she cut her teeth as a New York Post writer in the 1960s as she recounts in the m
