By Amy Sedaris : Simple Times: Crafts for Poor People people for their personal use or for a limited client base create folk crafts folk embroideries done by the village women folk of india are a good indoor air quality can be two to five times more polluted than outdoor air and since the environmental protection agency estimates that people spend 90 of their Simple Times: Crafts for Poor People:

1 of 1 review helpful Hilarious but By Melissa De Alba If you are looking for an actual craft book this is not one I thought this would have actual cute crafts to work on but it is really just funny commentary by Amy Sedaris and Paul Dinello I m a big fan of Amy Sedaris so if you love her humor which is not for everyone you will love this book It s packed with pictures and drawings which are awesome and of cours America s most delightfully unconventional hostess and the bestselling author of I Like You delivers a new book that will forever change the world of crafting According to Amy Sedaris it s often been said that ugly people craft and attractive people have sex In her new book

SIMPLE TIMES she sets the record straight Demonstrating that crafting is one of life's more pleasurable and constructive leisure activities Sedaris shows that anyone with a couple of hours From Booklist In her follow up to the best selling I Like You 2006 Sedaris once again invites us all to remember the "good old days" with her off the wall crafting and entertaining suggestions
