35 of 36 review helpful I Regret Nothing Including Buying this Book By T Filowitz Despite being disappointed by Jen's last two memoirs but I've loved her from the moment I read Bitter is the New Black and I'm NOT a fair weather fan. So I was pleasantly surprised that her new book was able to reflect the old immature Jen who I feel like I know and love mixed with the new mature non annoying amount of Jen who I've seen in THE NEW YORK TIMES BESTSELLER. New York Times bestselling author Jen Lancaster has lived a life based on reinvention and self improvement. From Bitter Is the New Black to The Tao of Martha she's managed to document her and her generation's attempts to shape up, grow up and have it all — sometimes with disastrous results. Sure Jen has made mistakes. She spent all her money from a high paying job on One of POPSUGAR's Best Books of 2015 ("Hilarious..."). Lancaster tackles everything from getting a tattoo removed to running a 5K. No complaints here." — InStyle
