0 of 0 review helpful Very Funny By KlondikeMatisse I liked some of Woody's movies loved some of them and plain didn't care for others. But his essays are on the whole Very Funny. Some of his humor is off the wall based on ridiculous premises. The Whore of Mensa for example About a guy that has a great sex life with his wife but gets no intellectual stimulation. So he goes to the Whore of Mensa for that. Although Woody Allen is best known for his cult movies he is also a writer of outstanding wit and skill. Dip into this collection of fifty two pieces for hilarity, deadpan weirdness and some extremely outlandish ideas. Do you want to hear about the time Hitler went for a haircut? Or why Woody reveres Socrates. Have you ever wondered what would have happened if the Impressionists had actually been dentists. You can learn much about history the piece on the invention of the automobile. Born in 1935 Allen Stewart Konigsberg better known as Woody Allen is today one of the most influential figures in cinema. He has written and directed such memorable films as Annie Hall and Manhattan and has acted in over 40 films. He is
