1 of 1 review helpful TOO SMALL TO READ By SK This book is so small that the captions for many of the cartoons were too small for my wife and I to read I bought this to give to my physician but would now be embarrassed to do so This publisher is irresponsible and has a lot of nerve issuing such an item Perhaps I should not have been so surprised since the current editor is an arrogant moron writing left wing articles f In the grand tradition of The New Yorker Book of Cat Cartoons and Dog Cartoons the funniest doctor cartoons that have appeared in The New Yorker since 1925 to the present 85 illus From the Inside Flap 101 cartoons About the Author The New Yorker nbsp began publishing in 1925
