your professional Welcome To Heidi:

1 of 1 review helpful Book Seeking Male 30 and Under By Erik Steffens Here s the thing I m a 29 year old male whose never really had a vice in my life Heidi would throw her book at me for saying that I m not the kind of target audience for this book or so I thought My real vice is control I work hard to never loose it So much I don t experience life to its fullest I also have a heavy fear of death Something that If you ever wondered what 50 would look like on a former alcoholic tattooed shoe addict who eats cake out of her garbage can and secretly prays to her vagina to die on a regular basis well wonder no more and Welcome to Heidi This collection of stories culled from over 300 blogs and rewritten for your pleasure will take readers on a journey they never expected and perhaps never knew they wanted to go on From dating to how to tame Jewish hair getting a po TV insiders are tittering over a new novel by former Entertainment Tonight producer Heidi Clements which some say surreptitiously dishes on behind the scenes drama with Linda Bell Blue executive producer of ET for 19 years NY POST Page Six
