0 of 0 review helpful Zits Gang By christmas lover This is a good book and just like Peanuts Fox Trot Calvin And Hobbes and other books its funny to read My favorite is Peanuts but I like all the others too including these Zits books One of my favorite stories in this Zits book is when Jeremy gets picked up by the cops for driving without a licence at night no less as his way to try to impress a girl and the consequences My Bad is filled with funny genuine stories about life as and with a teenage boy Taken from firsthand experience of successfully living through the teen years and now raising teenagers Jerry Scott and Jim Borgman cross the minefield of all that teenagerhood holds From questions curiosities and concerns to hormones and insecurities key character Jeremy girlfriend Sara and best buds Hector and Pierce make muddling through the day memorable Ever About the Author Co creator Jim Borgman and his wife are the proud parents of five children He has also won a Reuben Award and a Pulitzer Prize Both he and Jerry have LOTS of experience with teenagers Jerry Scott is nbsp the co creator of the award
