**By Ellen DeGeneres : The Funny Thing Is...** if it wasnt possible to better the soviets in the space race which was really a race of technology armaments what could be done how could america the only thing necessary for the triumph

of evil is for good men to do nothing edmund burke The Funny Thing Is...:

0 of 0 review helpful Not for me By LeighAnn Well I don't know why I didn't read a bio before I sat and read this book but I thought it was going to be more memoir and true stories of how Ellen came up in the world That was my mistake This small book is funny if you like nonsensical scenarios and running jokes but like I said I was looking for a real story It's funny it's cute and it's quick though which I know a lot An indispensable reference for anyone who knows how to read mdash or wants to fool people into thinking they do mdash The Funny Thing Is is sure to make you laugh Ellen DeGeneres published her first book of comic essays the 1 bestselling My Point And I Do Have One way back in 1996 Not one to rest on her laurels the witty star of stage and screen has since dedicated her life to writing a hilarious new book That book is this book A From Publishers Weekly DeGeneres continues her year long domination of all media following a cross country stand up tour an HBO special a show stealing turn in Finding Nemo and the successful launch of her daily talk show in September with this new humor col
