2 of 2 review helpful She loved it The snowglobe was worth the purchase price By AlwaysWearAHelmet I purchased this as a gift for my mother in law after going to see the play together She loved it The snowglobe was worth the purchase price so the magnets were just an added bonus The size of the snowglobe was about five inches or so just the right size for someone to place on their desk which was my intended purpos Buddy the Elf is a Christmas classic Keep him around all year long with this kit containing a snow globe featuring Will Ferrell as Buddy Also included are two magnets featuring artwork and two of Elf s most famous quotes I just like to smile Smiling s my favorite rdquo and Son of a Nutcracker rdquo
