By David Rakoff : Half Empty so is the glass half empty half full or something else altogether the images below are hilarious takes on this age old question enjoy whether you view the lake as half full or half empty depends on your

outlook objectively of course lake mead is definitely well beyond half empty but we like Half Empty:

0 of 0 review helpful I love this book Every Essay in this book is Perfect By J R Stayer David Rakoff sadly isn't with us anymore and what he's left behind is not only a window into his own life but a collection of stories that everyone can relate to. This book aptly titled Half Empty is about pessimism and how it affects the author. Each chapter is a new story and each is better than the last I believe during the time. In this deeply smart and sneakily poignant collection of essays the bestselling author of Fraud and Don't Get Too Comfortable makes an inspired case for always assuming the worst — because then you'll never be disappointed. Whether he's taking on pop culture phenomena with Oscar Wilde worthy wit or dealing with personal tragedy Rakoff's sharp observations and humorist's flair for the absurd will have you positively From Publishers Weekly. In this sardonic collection of essays Rakoff Don't Get Too Comfortable plays the role of a naysayer who tries to convince the reader with humorous asides and sarcastic one liners that the world is going to hell in a hand basket and the
