By Thomas S. Gowing : The Philosophy of Beards a blog about ethics philosophy politics economics theory and current affairs dec 29 2016nbsp;i was given a copy of the philosophy of beards for christmas by one of my very best friends who clearly knows me too well everything about it the victorian era the tongue in cheek style and the very existence of the beard The Philosophy of Beards:

0 of 0 review helpful Fun read By Shawn This is a fun read if not difficult at times I think the difficulty is in the fact the language was a little different in the 1800 s when originally written As modern science has shed light on aspects of facial hair and growth it is interesting to see how the old timers understood and explained those same aspects more than 150 years ago 0 of 0 review helpful The absence of Beard is usually a sign of physical and moral weakness Take two drawings of the head of a lion one with and the other without the mane You will see how much of the majesty of the king of the woods as well as that of the lord of the earth dwells in this free flowing appendage There is scarcely a more naturally disgusting object than a beardless old man The Beard keeps gradually covering varying and beautifying and imparts new g A delightfully entertaining manifesto that is short on philosophy long on facial hair and bound to appeal to high brow and low brow readers alike
