Misadventures in Hunting, Fishing, and the Wilds of Suburbia:

2 of 2 review helpful Another Outdoor Writer Author Hits a Homerun By R Keller I was a longtime reader of Patrick F McManus books and considered him the ultimate writer of hunting and fishing humor When I discovered Bill Heavey's works I went in thinking that at best his work would be a lesser version of McManus MAN WAS I WRONG Bill is at least on even footing with Patrick both struggling over who should be at the Whether he is accidentally cooking his brain with hand warmers or yanking his lure away from a trophy fish just before it takes the bait Bill Heavey can do no right For almost a decade he has chronicled his incompetence on the back page of Field Stream where his hilarious dispatches about life as a hapless outdoorsman who lives in suburbia have earned him legions of fans But Heavey is more than a humorist The stories in this book range from amusing to Bill Heavey is my favorite writer When I die I want him to gut me stuff me and deliver my eulogy for one good last laugh " Ted Nugent Bill Heavey's writing is funny moving acerbic and best of all always alert to the absurdities
