1 of 1 review helpful Opening Rant By Troy As usual Colin is great with his words A lot of one liners in here worth quoting Even though this book is 4 years old and a lot of what he talked about pertained to back then his points are all still very relevant no matter what year you pick up this book Fun easy read If your a fan of Colin Give it a read You Herd it here first 0 of 0 review helpful There are really two games the one you see and the one you don t The way I see it the best way to use access to both worlds is to illuminate and reveal not idolize and adore It s better to be wrong than to be played for a fool ndash Colin Cowherd nbsp; In this age of billion dollar athletic marketing campaigns ldquo; feel good rdquo; philosophy with no connection to reality and a Sports Media echo chamber that rsquo; s all too eager swallow About the Author COLIN COWHERD is currently the host of The Herd with Colin Cowherd on ESPN Radio and ESPNU He is also a former cohost of the show SportsNation on ESPN2
