what a musician friend the grammy award for best spoken word album has been awarded since 1959 the award had several minor name changes in 1959 Brief Encounters: Conversations, Magic Moments, and Assorted Hijinks:

36 of 40 review helpful CAVETT THE MASTER TALK By D S Chowes Going back to Steve Allen the original host of the TONIGHT Show Dick Cavett's impossible task of going against Johnnie Carson was a failed attempt. While Carson featured stars and usually mindless chatter, Cavett on ABC would feature the greats yes from showbiz but also intellectuals. The enormous range of his knowledge was amazing. He left ABC for a half. Dick Cavett is back sharing his reflections and reminiscences about Hollywood legends, American cultural icons and the absurdities of everyday life. In Brief Encounters, the legendary talk show host Dick Cavett introduces us to the fascinating characters who have crossed his path from James Gandolfini and John Lennon to Mel Brooks and Nora Ephron, enhancing our appreciation of their talent, their personalities and their place. "A welcome sequel to Talk Show," Dick Cavett covers a lot of ground in a collection of erudite and witty pieces. Brief Encounters is very good and very funny at times, pointed but always engaging.
