1 of 1 review helpful Still laugh out loud funny after all these years By old_MK For those of you old enough that Reader's Digest is a familiar name excerpts from Patrick McManus books often appeared in that tome and what a treat it was The stories are so zany I'm sure they're embellished a bit no one has a life that's THAT funny all the way through but you just know that there's a large grain of truth in there America's favorite outdoor humorist is back with an outrageously fresh collection of stories He introduces a variety of friends old and new and takes readers to many exotic locales outdoors and indoors From Publishers Weekly Fans of McManus The Grasshopper Trap will welcome these 27 little excursions into the life of the narrator Pat the author's alter ego His humor is directed at fishermen hunters campers gun swappers little boys and willful weather
