Whiter Shades of Pale: The Stuff White People Like, Coast to Coast, from Seattle's Sweaters to Maine's Microbrews:

1 of 1 review helpful I still recall and laugh at insights offered in this sequel and the original By Beatrice Izzey The sequel pales a little bit compared to the original but I see it as adding to and expanding upon the original Buy both I read both months ago but every day I will see something a white person is doing or hear a snippet from a white person wannabe and I think of the insights offered in the HOW WHITE YOU ARE nbsp If you thought you had white people pegged as Oscar party throwing Prius driving Sunday New York Times ndash reading self satisfied latte lovers mdash you were right But if you thought diversity was just for other races then hang on to your eco friendly tote bags Veteran white person Christian Lander is back with fascinating new information and advice on dealing with the Caucasian population Sure their indie ldquo Excellent Few people alive are as deft at this satire as is Mr Lander His books are painfully observant and they take you places that The Daily Show and The Onion those reliable dispensers of elite wit mostly don rsquo t They rsquo
