comedians on a podcast he records in his garage digs into his own psyche for material in a new memoir and television show Attempting Normal:

2 of 2 review helpful If You Like Maron You ll Love It By April L Hamilton It s amazing how someone who has so much insight wisdom even about his foibles and blind spots enough to write an entire memoir about what went wrong in the past and why can describe himself as still struggling to overcome them on a daily basis Based on what Maron shares about his upbringing it s not hard to understand why he s wrestled wit NATIONAL BESTSELLER Marc Maron is ldquo a master of spinning humor out of anguish rdquo Bookforum even when that anguish is pretty clearly self inflicted In Attempting Normal he threads together twenty five stories from his life and near death from his first comedy road trips with a fugitive junkie comic with a missing tooth to his love affair with feral animals his cat rescues are bloody epics to his surprisingly moving tales of l
