9 of 9 review helpful I loved this book By H Smith I loved this book Each chapter is its own short story and to be honest that format worked perfect for this sleep deprived mother of a 5 month old and a 4 year old too Her wit and charm come across as does humility I love listening to people tell their interesting life stories famous or not and she comes across as a friend just telling you something in an interesting The heart stirring New York Times bestseller that InStyle called “deeply thoughtful and fun” now in paperback shares funny insightful and profound stories from Drew Barrymore’s past and present told from the place of happiness she’s achieved today. Wildflower is a portrait of Drew’s life in stories as she looks back on the adventures challenges and incredible experiences she’s had. Praise for Wildflower Pure delight If until now you merely liked Barrymore you’ll adore her once you read this series of personal essays. The New York Times Book “The book is a deeply thought
