0 of 0 review helpful A Man and Machine in progress By Shawn O Neal Have been a fan of Bert s since first hearing him on Jay Mohr s podcast a few years back and have since enjoyed his stand up and listened to every episode of his podcast In short I think save for one or two I have heard versions of all of these stories before and they were still brand new to me as he adds detail and feeling that isn t possible in oth A collection of outrageous stories by the standup comic TV host and inspiration for the movie National Lampoon s Van WilderBert Kreischer doesn t know how to say no If he did he wouldn t have gotten himself mixed up with a group of Russian mobsters on a class trip to Moscow earning him his nickname The Machine He wouldn t have wrestled with a bear or swum with sharks on national television He wouldn t have possibly smoked PCP with a ldquo The author s affability and self deprecation only add to his charm and the result is a genuinely hilarious look at life in the fast lane rdquo Publisher s Weekly ldquo Bert Kreischer is one of the great American wild men A gonzo warrior
