small hands 2 of 2 review helpful The book is pocket sized By Kim G Bought this as a gift for a relative because they said they would be interested in reading this book The book is pocket sized and mainly comics It could be read in its entirety in 10 mi Oh happy day Make every day a happy one with this cheerful gift book combining Snoopy s happy dance with joyful quotes on dancing and life Snoopy is the quintessential cartoon dog smile bringer From his bantering with Woodstock to his fantasy life it s no wonder that he s the most popular Peanuts cartoon character And he s never more endearing than when he s expressing his ultimate joy of life by doing his happy dance much to Lucy s dismay About the Author Charles Schulz is a legend He was the hand and heart behind 50 years of Peanuts which featured one of the world s most beloved and recognizable cast of cartoon characters until his death in 2000
