**By Claudia Clare : Subversive Ceramics** skulptur projekte mnster 2017 the fifth edition of the skulptur projekte opening in summer 2017 features 30 new artistic positions moving between sculpture from bold signs to domestic scenes this installation features works that use text and image as subversive tools included are works by barbara kruger carrie mae Subversive Ceramics:

Satire has been used in ceramic production for centuries Historically it occurred as a slogan or proverb written into the ceramic surface as pictorial surface imagery or as a satirical figurine The use of satire in contemporary ceramics is a rapidly evolving trend with many artists subverting or otherwise rethinking familiar historic forms to make a political

point Claudia Clare examines the relationship between ceramics social politics and political mo This is a book that has been needed for a very long time It examines the intriguing histories of how clay has been used as a medium for dissent as a commentary on political life and to critique ideas of domesticity It argues that ceramics access to the eve
