By Paul Ruditis : A Very Klingon Khristmas (Star Trek) A Very Klingon Khristmas (Star Trek):

111 of 112 review helpful Seared Into My Klingon Heart By Adam Burkard I was so inspired by this book that I killed all of my enemies in glorious battle immediately after reading it Admittedly a tear was brought to my eye when the baby Kahless was given his first D ktahg and the prophecy was foretold that he would be the one to vanquish Molor and unify the empire Further in I was flooded with memories of Khristmases I A hilarious illustrated holiday gift book that celebrates the rich Klingon Christmas traditions mdash perfect for Star Trek fans everywhere This hilarious parody firmly plants Klingons at the center of the Christmas story mdash where they rightly should be mdash including everything from a Santa equipped with retractable claws tribbles in the stockings of naughty Klingon boys and girls and the spirited holiday warmth of a hot cup of mulled blood About the Author Paul Ruditis is the author of many licensed fiction and nonfiction companion books from Charmed and Buffy the Vampire Slayer to Star Trek and Bones among others He lives in Burbank California
