9 of 9 review helpful Cheaply printed grainy lines By Bweis Charles Addams is great There s no doubt about it However this cheaply printed book is so grainy that you can t even read the notes written in the comics or make out fine details We have many Charles Addams books and this one is not worth the money Again Charles Addams and his

cartoons are great If this were more clearly printed I'd be writing a much Charles Addams was renowned for his depictions of love or lack thereof in his cartoons The passion of Morticia and Gomez Addams the lonely desires of Fester the numerous grim and ghastly fights between husband and wife all found their way into Addams's signature drawings Addams's concept of love was quite a bit different from the traditional idea of romance Forget roses and chocolate Addams will show you how to woo a mermaid or celebrate an anniversary on a date About the Author Chas Addams was the creator of the Addams Family cartoons which first appeared in The New Yorker and were the inspiration for the popular The Addams Family television show and movies He has been honored with the Yale Humor Award 1954 and a
