from Karl's diary 0 of 0 review helpful Wonderful Book By Gary Biggs I'm a huge fan of Karl Pilkington and Ricky Gervais so anything they do together is well worth reading But the shallow and inane comments that Steve Merchant makes throughout the book In this pithy and hilarious book Karl Pilkington is in conversation with the often bewildered Ricky Gervais and Stephen Merchant the writers and stars of The Office and Extras unwittingly outwitting even those comedy Goliaths as he struggles in vain to make sense of the world around him Unencumbered by erudition and impervious to logic Karl ambles down a heuristic path to enlightenment under the edifying influence of Ricky and Steve His pronou About the Author Karl Pilkington is a radio producer previously best known for producing The Ricky Gervais Show on UK's Xfm radio He has now reached an international audience through his appearances with Ricky Gervais and Stephen Merch
