2 of 2 review helpful Why should Kim Jong un have all the fun By Getshotzi I was living in my mom s basement and

eating the stale Cheetos I'd find between the couch cushions I wanted to oppress the poor the disenfranchised and the meek but I couldn't even put away laundry and shower in the same day without needing a 4 hour nap I fell into some spending money and bought this book along with a bag of pork rinds and a couple Everyone wants to rule the world but only a precious few have the skills to create an ironclad plan of attack Simple direct and delightfully unprincipled this guide contains tales of global power mongering from every age and endeavors to show dilettante dictators and tyrants to be just how it's done Tips are provided on creating a personal flag what type of puppet government to establish how to squelch free speech and most important how to handle enemies From Publishers Weekly This slim satirical volume purports to map the road to world or at least great power from childhood to the grave Send ups of everything abound from pop psychology questionnaires such as Have You Got What It Takes and lists of Caree
