1 of 1 review helpful Picture Perfect By Cherry Poppins Of all the roll playing Penis books available this one is by far my favorite The characters really come to life when flipping through each scene whether your star penis rises to the spotlight like a mighty sequoia or is more of a weeping willow suffering from stage fright Penis Pokey will showcase him as the cockstar he was meant to be UNLESS he really is a cockst The Book Where You 're the Star nbsp Every scene in Penis Pokey has one thing missing mdash and you have to complete the picture Are you up to the challenge About the Author Christopher Behrens is a very handsome man
