**By Helen Fielding : Bridget Jones's Baby: The Diaries** bridget jones the edge of reason is a 2004 british american romantic comedy film directed by beeban kidron and written by adam brooks richard curtis andrew davies bridget jonnex diary script taken from a transcript of the screenplay andor the renee zelwegger movie Bridget Jones's Baby: The Diaries:

10 of 10 review helpful Not Bad Not Bad By Ami Bridget Jones's Baby is a cute story but it feels a bit rushed to me It's a lot shorter and seems not quite up to par with the previous books I'm curious to know the timeline of when Helen was writing this book and when she was helping to write the movie I like how different they are from one another but I actually prefer the movie version more I will always be a fan Bridget Jones beloved Singleton and global phenomenon is back with a bump in Bridget Jones's Baby The Diaries 8 45 P M Realize there have been so many times in my life when I have fantasized about going to a scan with Mark or Daniel just not both at the same time Before motherhood before marriage Bridget with biological clock ticking very very loudly finds herself unexpectedly pregnant at the eleventh hour a joy A comic masterpiece a grave trois hellip Well paced and well crafted Charming rdquo ndash Molly Young The New York Times Book Idquo rsquo What would the Dalai Lama do rsquo Bridget asks herself when she arrives 15 min
