5 of 5 review helpful Funniest book in years By Happy mama Laurie Notaro has long been one of my favorite authors and I usually have her books preordered months in advance Somehow this one snuck past me and I didn't know it was even a thing until I saw a post on facebook Most of the books I have read this year have been kind of sucky so I ordered this and hoped for the best How lucky am I When Ms Notaro Enter Pirates revisits the days when there were no hangovers paychecks were blown in one night and a vacation meant crowding 15 of your closest friends nbsp into one motel room nbsp These are the salad days you didn't make enough to pay taxes and blackouts probably weren't worth nbsp remembering anyway Hailing nbsp reckless youth the vintage writings of 1 New York Times best seller It Looked Different o Praise for Laurie Notaro Laurie Notaro is absolutely hilarious You never see the jokes coming They're always organic to her writing and it makes her a joy to read nbsp Justin Halpern author of SH T MY DAD SAYS
