By Timur Vermes : Look Who's Back taylor swift just revealed her new album and we've got never before seen

content only at target image description the album cover for taylor swifts reputation happy wednesday everyone and greetings from beautiful new york city im back home now and couldnt be happier when i left san francisco my brother and i talked Look Who's Back:

1 of 1 review helpful Worthwhile but scattershot By Peter J Orvetti From time to time in this clever but scattershot novel a critic of its protagonist asks Where is the satire here While there are some wonderful bits of biting commentary here at times I found myself wondering the same thing Vermes s conceit Adolf Hitler wakes up in a field near a soccer pitch in modern day Berlin with his last memories What would happen if Adolf Hitler woke up in modern day Berlin In a bestselling satirical novel he'd end up a TV comedy star Look Who's Back has unsurprisingly sparked debate in a country that has grappled for decades with Hitler's unconscionable legacy Look Who's Back the film is streaming on Netflix An Independent Best Books of the Year selection A New York Times Summer Reading Pick
