2 of 2 review helpful Great childhood nostalgia and wonderful adventure stories By Gavin Scott When I was a kid I had an old original copy of the seven cities comic book that had been my father s and it was my favorite story This collection accurately reproduces the original The images give a similar feeling to the original and the printing is a good medium between over modernization and the original low Collects further Carl Barks Uncle Scrooge Donald Duck stories including the one that inspired Raiders of the Lost Ark Uncle Scrooge takes Donald and the nephews on a perilous trek in search of the fabled seven cities of gold This is the Scrooge story famous for providing Steven Spielberg and George Lucas with inspiration for parts of Raiders of the Lost Ark Speaking of gold and movies James Bond fans might recognize in l ldquo Carl Barks s richest characterization is that of a mallard he created from whole cloth Donald rsquo s skinflint uncle Scrooge McDuck a proudly self made gazillionaire whose avarice is offset by his bravery and sense of honor hellip Barks rsquo
