2 of 2 review helpful If laughter is the best medicine than S C Naoum should be a doctor of the Church By I_Love_America Following EOTT on Facebook has always been a guilty pleasure however I am Catholic and guilt comes easy for me Such well written satire this book will be one of my keepers in my collection of favorite books Well laid out and well presented If you love satire and love great clever well though Reporting Catholic news as it happens when it happens and before it happens Eye of the Tiber has been delighting readers online since 2012 Now it provides a book that can be thrown The only news source brave enough to report stories like Pope Francis' midnight shift position at McDonalds or Lila Rose going undercover as a fetus Eye of the Tiber is the hilarious Catholic satire site that leaves no issue untouched One of the best doorstops I've ever had Hilarious S C's wife I laughed until I cried After this book Catholics are going to have to work even harder to make everyone think we're boring Jennifer Fulwiler 4 Google search result for socially
